Managed Deer Hunts at Lost Mound Unit - 2015

Introduction: Two managed deer hunts, one for youth (ages 10–15) and one for adults with disabilities (ages 16 and older), are conducted within designated areas of Lost Mound Unit. There are 40 sites available for each hunt that is open to Illinois residents and non-residents. These guidelines pertain only to the managed hunts and do not apply to areas open to public hunting.

Attendants: All hunters must be accompanied by an able-bodied attendant (ages 18 and older) that is capable of tracking and retrieving deer. Attendants for youth are not allowed to hunt, whereas, attendants for adults can hunt. Hunters may be accompanied by one non-hunting individual in addition to the attendant.

Application Period & Random Draw: The application period and random draw dates for the youth and adult hunts are the same. Applications are available from July 1-31. Hunters must submit a Fish & Wildlife Service Quota Big Game Hunt Application to: Refuge Manager, 7071 Riverview Road, Thomson IL, 61285 before 4:00PM on July 31. Applications are available at the Refuge office, online, or by email request; and can be mailed, emailed, faxed or dropped off at the Refuge office Monday-Friday from 7:30AM-4:00PM. Hunters needing a wheelchair accessible site should check the box on the application; otherwise there is no guarantee of an accessible site. All eligible applications will be entered into a random draw to be held August 5 at 10:00AM at the Refuge office. The drawing is open to the public and applicants do not have to be present. Applicants that did not hunt at Lost Mound last year will be given priority in the drawing. Letters will be sent to hunters that are drawn and to standby hunters to fill any sites that are turned down. Standbys must attend a safety orientation to be eligible to hunt.

Mandatory Orientation and Safety Training: All hunters, attendants and accompanying individuals must attend a mandatory orientation and safety training to become familiar with the hunt area, safety regulations and access restrictions. Two training sessions are scheduled with classroom orientation in the morning and site visits in the afternoon: Saturday, October 3, 9:00AM-3:00PM to be held at St. John The Baptist Catholic Church, 318 Chicago Ave., Savanna IL; and Friday, November 13, 9:00AM-3:00PM at Manny's Pizza, 211 Main Street, Savanna IL. Youth must have completed a state approved hunter education safety course prior to this orientation. All state hunting licenses, stamps and permits required by Illinois Department of Natural Resources (ILDNR) must be obtained prior to the orientation. Hunters with disabilities and their hunting attendants do not need a Jo Daviess County deer permit as this permit will be issued by the Refuge. Hunters must bring non-lead bullets that will be used in the hunt to the orientation.

Hunt Sites & Shooting Zones: There are 40 hunt sites with designated shooting zones. You must stay within 50 feet of the site marker. Some sites have greater accessibility than others. Hunters and/or

attendants are not allowed to climb onto the sides or top of the earthen covered buildings (igloos). Climbing tree stands are allowed in the youth hunt only.

Hunter Check-In and Restricted Hours of Movement: Hunters and attendants are required to register at River Road gate, upon entry and departure, daily. Hunters and attendants may not scout areas, nor walk or drive roads within the hunt area except for direct travel to and from their designated hunt site during the hours of movement. This travel restriction is to minimize disturbance to other hunters and for safety. Hunters and attendants must travel together (i.e., one cannot leave the hunt site without the other) but may travel in separate vehicles.

Hunters must follow these hours of restricted movement:

4:00AM – 5:30AM: Hunters check in at River Road gate. After registering, hunters are required to go directly to their hunt site along designated routes of travel.

5:30AM - 9:00AM: No entry into or departure from your hunt site is allowed. Hunters must stay at their designated hunt site even if you harvest a deer.

9:00AM - 2:30PM: Hunters may depart and return to their hunt site using designated routes of travel only. No entry is allowed into the hunt area after 2:30PM.

2:30PM - End of Day: Hunters must stay at their designated hunt site until one-half hour after sunset even if you harvest a deer. Hunters are required to check out at River Road gate no later than 1 hour after the close of shooting time.

Firearms: Only shotguns and muzzleloaders are allowed. Firearms must be unloaded and cased and/or dismantled at all times in the vehicle.

Non-lead ammunition requirement: All hunters are required to use only non-lead bullets. The possession of lead bullets is prohibited. The non-lead bullets to be used during the hunt must be brought to the orientation for verification. Spent shotgun shells must be brought to the deer check station or provided to the gate keeper (if no deer are harvested) for verification. This requirement is an effort to reduce lead exposure in bald eagles that feed on gut piles left in the field and on fatally wounded but not retrieved deer. There are several types of jacketed bullets that have a lead core, so read the label carefully to make sure you are purchasing non-lead bullets.

Blaze Orange & Hunting Blinds: Hunters, attendants and accompanying persons must wear a solid blaze orange cap/hat and an upper outer garment displaying at least 400 square inches of solid blaze orange material. Portable blinds or camouflage covering must also display 400 square inches of solid blaze orange material that is securely attached to the uppermost portion of the blind or covering and a substantial amount of orange is visible for 360 degrees. Hunting blinds are not provided.

Cell phones are required: Each hunt site must have one operational cell phone that is monitored at all time during the hunt. No phones are provided.

Lost Mound Deer Check Station: All harvested deer must be brought to the Lost Mound Deer Check Station located at the FWS equipment storage building for collection of biological information and testing for Chronic Wasting Disease. You may check deer during the hours allowed for movement or at day's end. In addition, hunters must register their deer with ILDNR by 10:00PM on the same calendar day the deer was taken by calling the toll-free Deer Harvest Hotline at 1-866-452-4325. You will be given a confirmation number that must be written on the leg tag attached to the deer.

Acknowledgement of Danger: All hunters, attendants and accompanying individuals must sign an "Acknowledgement of Danger: Release and Hold Harmless Agreement" that is provided at the

orientation. This agreement acknowledges your understanding that Lost Mound is a former military installation and there is potential for munitions of explosive concern being present within the hunt area.

Chronic Wasting Disease: CWD has been confirmed in Jo Daviess County. Each harvested deer will be checked for CWD. Hunters should also be aware of the regulations regarding transporting deer to or through any other state. To avoid fines and confiscation you must process your deer according to each respective state's laws and regulations before crossing state lines. Most states require that only de-boned meat can be transported from a CWD state. A list of local meat processors is available. Visit the ILDNR website for additional information on CWD.

Permit Revocation: A hunter's permit may be revoked at any time for violation of Refuge regulations or state regulations.

Additional Information: For additional Refuge information, call the Refuge office in Thomson IL at 815-273-2732. For additional state hunting information, contact the local ILDNR office or access their website at: www.dnr.illinois.gov

GUIDELINES FOR ADULT HUNT

1. Hunt Dates: November 14-15, 2015 which is the Saturday-Sunday prior to the Illinois Firearms Deer First Season.

2. Disability Requirements: Hunters with disabilities must possess a minimum Class P-2a disability certification issued by the State of Illinois or an equivalent certification from another state. A copy of the disability certification (e.g. doctor's letter or government certification) must be included with the hunt application. The certification requires a physical disability of a permanent nature that renders a person unable to walk 200 feet or more unassisted by another person or without the aid of a walker, crutches, wheelchair, or other device. Standing vehicle permits are allowed.

3. Jo Daviess County Deer Permit: Hunters and attendants do not need a Jo Daviess County Deer Permit as this permit will be issued by the Refuge.

4. Possession limit: The possession limit for disabled hunters is 3 deer to include 2 antlerless and 1 antlered. The antlered deer can be taken at any time provided an “either sex” permit has been issued. The possession limit for hunting attendants is 2 antlerless deer, no antlered deer are allowed. Attendants may harvest antlerless deer anytime during the hunt.

5. Permit types: There are two types of deer permits issued to adult hunters, a “Bonus Permit” and a “Standby Permit”. Each permit has specific requirements and fees.

“Bonus Permit”: At the orientation, each hunter is issued a “Bonus Permit” that is valid for harvest of the first deer. The “Bonus Permit” can be an “antlerless” or an “either sex” permit but must be identified when the permit is issued. Fees differ between “antlerless” and “either sex”, especially for non-residents, see fee schedule below. “Bonus Permits” for attendants can only be “antlerless”. After harvesting the first deer with a “Bonus Permit”, hunters and attendants will purchase a “Standby Permit” to harvest additional deer.

“Standby Permit”: After the first deer is harvested, then a “Standby Permit” is issued to harvest a second deer. Additional “Standby Permits” are issued after each deer is harvested. “Standby Permits” are only valid for the day issued; you must purchase an additional “Standby Permit” in order to hunt the following day. The “Standby Permit” can be an “antlerless” or “either sex” permit, however, “either sex” permits are only issued to disabled hunters that have not yet harvested a buck.

6. Permit fees: Permit fees vary depending on: resident versus non-resident; “Bonus Permit” versus “Standby Permit” and; “antlerless” versus “either sex” permit. There is no fee for a non-hunting attendant. These fees are regulated by ILDNR, as follows.
